Legal Authority

The Workforce Innovation and Opportunity Act (WIOA) sec. 121(c)(1) requires the Local Board, with the agreement of the Chief Local Elected Official (CLEO), to develop and enter into a Memorandum of Understanding between the Local Board and the One-Stop Partners, consistent with WIOA Sec. 121 (c)(2), concerning the operation of the one-stop delivery system in a local area. This requirement is further described in the Workforce Innovation and Opportunity Act; Joint Rule for Unified and Combined State Plans, Performance Accountability, and the One-Stop System Joint Provisions; Final Rule at 20 CFR 678.500, 34 CFR 361.500, and 34 CFR 463.500, and in Federal Guidance.

Additionally, the sharing and allocation of infrastructure costs among one-stop partners is governed by WIOA sec. 121(h), its implementing regulations, and the Federal Cost Principles contained in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) at 2 CFR part 200.

Memorandum of Understanding

This MOU is executed between the Region **VII** Workforce Development Board, the Region VII One Stop Career Centers, the American Job Center network partners, and the Region VII Chief Local Elected Official (CLEO). They are collectively referred to as the "Parties" to this MOU.

This MOU is developed to confirm the understanding of the Parties regarding the operation and management of the two American Job Centers in the Region **VII**. One Stop Career Centers provides local oversight of workforce programming for Region VII area which consists of Berkeley, Grant, Hampshire, Hardy, Jefferson, Mineral, Morgan and Pendleton counties.

The Region VII WDB, with the agreement of the CLEO, has (competitively) selected Thomas P. Miller & Associates as the One Stop Operator for Region VII, as further outlined in the One-Stop Operator section.

The One-Stop Operating Budget and Infrastructure Funding Agreement establish a financial plan, including terms and conditions, to fund the services and operating costs of the Region VII American Job Center network. The Parties to this MOU agree that joint funding is an essential foundation for an integrated service delivery system and necessary to maintain Region VII's high-standard American Job Center network.

The Vision, Mission, System Structure, Terms and Conditions, One-Stop Operating Budget, and Infrastructure Funding Agreement outlined herein reflect the commitment of the Parties to their job seeker and business customers, as well as to the overall Region VII community.

Introduction

Changing labor markets and advances in technology have revolutionized how businesses find talent and jobseekers look for work. Social media, online talent platforms, and professional networking sites are evolving rapidly, perpetuating shifts in labor market dynamics. Additionally, rising consumer expectations and global competition have transformed how business is conducted in most industries. Employers must move faster and more efficiently in order to stay ahead of (or at least keep up with) competitors. This makes it imperative for the public workforce system to continuously adapt and reframe strategies and policies designed to support employers and job seekers.

One-Stop Career Centers seeks to establish a system that stands in stark contrast to the "traditional"/historical transaction-based model, whereby each agency operates its own business and job seeker services functions, and participants move from place to place

seeking services. Instead, the goal is to create integrated locations and a unified structure and process of proactive, transparent, and effective job seeker and business services, orchestrated by a seamless collaboration of talent development and support agencies.

The purpose of this Memorandum of Understanding(MOU) is to define the parameters within which education, workforce, economic development, and other Partner programs and entities operating in Region VII create a seamless, customer-focused American Job Center network that aligns service delivery across the board and enhances access to program services. By realizing One-Stop opportunities together, partners are able to build community-benefiting bridges, rather than silos of programmatic isolation,

Vision

Empower Region VII employers, individuals, and communities to prosper and grow the region's economy through a workforce development system that is inherently customer-centered, seamless, and effective.

Mission

To establish a workforce system that provides data-driven and employer-validated talent solutions through the integration of education, workforce, and economic development resources across systems.

American Job Centers

One-Stop Career Centers has two American Job Centers, also known as One-Stop Career Centers, which are designed to provide a full range of assistance to job seekers and businesses in one location. They were established under the Workforce Investment Act of 1998 and are continued by the Workforce Innovation and Opportunity Act of 2014. The centers offer a comprehensive array of services designed to match clients with opportunities.

Partners should either have their own web presence via a website and/or the use of social media, or work out a separate agreement with One-Stop Career Centers to post content through its website.

Communication Accessibility:

Communications access, for purposes of this MOU, means that individuals with sensory disabilities can communicate (and be communicated with) on an equal footing with those who do not have such disabilities. All Partners agree that they will provide accommodations for individuals who have communication challenges, including but not limited to individuals who are deaf and hard of hearing, individuals with vision impairments, and individuals with speech-language impairments.

Partners must assure that they have policies and procedures in place to address these issues, and that such policies and procedures have

been disseminated to their employees and otherwise posted as required by law. Partners further assure that they are currently in compliance with all applicable state and federal laws and regulations regarding these issues. All Partners will cooperate with compliance monitoring that is conducted at the Local level to ensure that all American Job Center programs, services, technology, and materials are physically and programmatically accessible and available to all. Additionally, staff members will be trained to provide services to all, regardless of range of abilities, mobility, age, language, learning style, or comprehension or education level. An interpreter will be provided in real time or, if not available, within a reasonable timeframe to any customer with a language barrier. Dispute Resolution

The following section details the dispute resolution process designed for use by the Partners when unable to successfully reach an agreement necessary to execute the MOU, (Note: This is separate from the Region VU Customer Grievance Policy.) A disagreement is considered to have reached the level of dispute resolution when an

issue arises out of the development and negotiation of an MOU that is not easily coming to a point of resolution. It is the responsibility of the Local WDB Chair (or designee) to coordinate the MOU dispute resolution to ensure that issues are being resolved appropriately. Any party to the MOU may seek resolution under this process.

- The One-Stop Management Consortium Chair (or designee) shall place the dispute on the agenda of a special meeting of the Local WDB's Executive Committee. The Executive Committee shall attempt to mediate and resolve the dispute. Disputes shall be resolved by majority consent of the Executive Committee members present.
- The decision of the Executive Committee shall be final and binding unless such a decision is in contradiction of applicable State and Federal laws or regulations governing the Partner agencies.
- The right of appeal no longer exists when a decision is final. Additionally, final decisions will not be precedent-setting or binding on future conflict resolutions unless they are officially stated in this procedure,
- The Executive Committee must provide a written response and dated summary of the proposed resolution to all Parties to the MOU.
- The One-Stop Management Consortium Chair (or designee) will contact the petitioner and the appropriate Parties to verify that all are in agreement with the proposed resolution.

Steps to Reach Consensus

I, Notification of Partners

The One-Stop Management Consortium Chair (or designee) must notify all Parties in writing that it is necessary to review and execute the MOU and provide all applicable policies and preceding MOU documents, as applicable.

2. Kickoff Meeting

The One-Stop Management Consortium Chair (or designee) is responsible for convening all required and optional American Job Center Partners to formally kick-off negotiations, and to ensure that, at a minimum, all American Job Center Partners from all comities within Region VII are appropriately represented. The kickoff meeting should take place no later than within four (4) weeks of notification as it must be hosted in a timely manner to allow for all steps to be conducted in good faith and in an open and transparent environment.

At the kickoff meeting, The One-Stop Management Consortium Chair (or designee) must provide a detailed review of all relevant documents, facts, and information and ensure all Parties have sufficient time to ask questions or voice concerns and are fully aware of expectations and the overall process.

3, Negotiations

Over the course of the four (4) weeks following the formal kickoff meeting, Partners must submit all relevant documents to The One-Stop Management Consortium Chair (or designee) to begin the drafting of the MOU. During this time frame, additional formal or informal meetings (informational and negotiation sessions) may take place, so long as they are conducted in an open and transparent manner, with pertinent information provided to all Parties.

4. Draft MOU

Within six (6) weeks of the kickoff meeting, The One-Stop Management Consortium Chair (or designee) must email a complete draft of the MOU to all Parties,

5. Review and Comment

Within three (3) weeks of receiving of the draft MOU, all Parties must review and return feedback to The One-Stop Management Consortium Chair (or designee). It is advised that each party also use this time to allow their respective Legal Departments to review the MOU for legal sufficiency. It is the responsibility of The One-Stop Management Consortium Chair (or designee) to ensure all American Job Center Partners to the MOU are aware of the comments and revisions that are needed.

6. Finalized Draft

The One-Stop Management Consortium Chair (or designee) must circulate the finalized MOU and secure Partner signatures within four (4) weeks of receipt of feedback. The WIOA MOU will be considered fully executed once all signatories have reviewed and signed, and a signed copy has been returned to all Parties.

If determined that a Partner is unwilling to sign the MOU, then The One-Stop Management Consortium Chair (or designee) must ensure that the dispute resolution process is followed.

Modification Process

1. Notification

When a Partner wishes to modify the MOU, the Partner must first provide written notification to all signatories of the existing MOU and outline the proposed modification(s),

2. Discussion/Negotiation

Upon notification, The One-Stop Management Consortium Chair (or designee) must ensure that discussions and negotiations related to the proposed modification take place with Partners in a timely manner and as appropriate.

Depending upon the type of modification, this can be accomplished through email communications of all the Parties. If the proposed modification is extensive and is met with opposition, The One-Stop Management Consortium Chair (or designee)

may need to call a meeting of the Parties to resolve the issue. Upon agreement of all Parties, a modification will be processed.

If the modification involves substitution of a party that will not impact any of the terms of the agreement, it can be accomplished by the original party and the new party entering into an MOU that includes One-Stop Career Centers, wherein the new party assumes all of the rights and obligations of the original party. Upon execution, The One-Stop Management Consortium Chair (or designee) presents the agreement as a proposed modification to the MOU, and the remaining steps are followed.

If determined that a Partner Is unwilling to agree to the MOU modification, The One-Stop Management Consortium Chair (or designee) must ensure that the process in the Dispute Resolution section is followed.

3, Signatures

The One-Stop Management Consortium Chair (or designee) must immediately circulate the MOU modification and secure Partner signatures within four (4) weeks. The modified MOU will be considered fully executed once all signatories have reviewed and signed.

The modification may be signed in counterparts, meaning each signatory can sign a separate document as long as The One-Stop Management Consortium Chair (or designee) acquires signatures of each party and provides a complete copy of the modification with each party's signature to all the other Parties.

Termination

This MOU will remain in effect until the end date specified in the Effective Period section below, unless:

- All Parties mutually agree to terminate this MOU prior to the end date.
- Federal oversight agencies charged with the administration of WIOA are unable to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this MOU succeeding the first fiscal period. Any party unable to perform pursuant to MOU due to lack of funding shall notify the other Parties as soon as the party has knowledge that funds may be unavailable for the continuation of activities under this MOU.
- WIOA is repealed or superseded by subsequent federal law.
- Local area designation is changed under WIOA.
- A party breaches any provision of this MOU and such breach is not cured within thirty (30) days after receiving written notice from One-Stop Career Centers

Chair (or designee) specifying such breach in reasonable detail. In such event, the non-breaching party(s) shall have the right to terminate this MOU by giving written notice thereof to the party in breach, upon which termination will go into effect immediately.

In the event of termination, the Parties to the MOU must convene within thirty (30) days after the breach of the MOU to discuss the formation of the successor MOU. At that time, allocated costs must be addressed.

Any party may request to terminate its inclusion in this MOU by following the modification process identified in the Modification Process section above.

All Parties agree that this MOU shall be reviewed and renewed not less than once every 3-year period to ensure appropriate funding and delivery of services.

Effective Period

This MOU is entered into on July 1, 2026. This MOU will become effective as of the date of signing by the final signatory below and must terminate on June 30, 2027, unless any of the reasons in the Termination section above apply.

One-Stop Operating Budget

The purpose of this section is to establish a financial plan, including terms and conditions, to fund the services and operating costs of the Region VII American Job Center network. The Parties to this MOU agree that joint funding is a necessary foundation for an integrated service delivery system. The goal of the operating budget is to develop a funding mechanism that:

- Establishes and maintains the Local workforce delivery system at a level that meets the needs of the job seekers and businesses in the Local area,
- Reduces duplication and maximizes program impact through the sharing of services, resources, and technologies among Partners (thereby improving each program's effectiveness),
- Reduces overhead costs for any one partner by streamlining and sharing financial, procurement, and facility costs, and
- Ensures that costs are appropriately shared by American Job Center Partners by determining contributions based on the proportionate use of the one-stop centers and relative benefits received, and requiring that all funds are spent solely for allowable purposes in a manner consistent with the applicable authorizing statutes and all other applicable legal requirements, including the Uniform Guidance.

The Partners consider this One-Stop operating budget the master budget that is necessary to maintain Region VII's high-standard American Job Center network. It includes the following cost categories, as required by WIOA and its implementing regulations:

- Infrastructure costs (also separately outlined in the Infrastructure Funding Agreement (IFA),
- Career services, and
- Shared services,

All costs must be included in the MOU, allocated according to Partners' proportionate use and relative benefits received, and reconciled on a quarterly basis against actual costs incurred and adjusted accordingly. The One-Stop operating budget is expected to be transparent and negotiated among Partners on an equitable basis to ensure costs are shared appropriately. All Partners must negotiate in good faith and seek to establish outcomes that are reasonable and fair.

Cost Allocation Methodology

All Partners in Region VII are physically co-located in the One-Stop Center(s) as outlined in the Partner On-Site Representation Schedule section of the MOU, with the following exceptions:

- Adult Education (EPIC)
- Blue Ridge Community and Technical College
- Eastern West Virginia Community Action Agency, Inc.
- Eastern West Virginia Community and Technical College
- Grant County Housing Authority
- Harpers Ferry Job Corps
- Eastern WV Community Action Agency

These partners/programs are linked virtually through online/telephone service access to a program staff member via cross-trained front desk staff and other, physically co-located, partner staff that can provide information and referrals.

One-Stop Career Centers selected one cost allocation base to determine overall Partner contributions. The method that was selected was square footage. This was done in an effort:

- To best reflect Partner use of One-Stop Career Center facilities,
- To not adversely impact Partners' budgets that are not physically co-located at the One-Stop Career Center(s), and
- To comply with the requirement of Partners' contributions having to be in proportion to the Partners' use of the One-Stop Career Center(s) and relative benefit received.

All Parties agree that a quarterly reconciliation of budgeted and actual costs and update of the allocation bases will be completed in accordance with the following process:

- Partners will provide One-Stop Career Centers with the following information no later than fifteen (15) days after the end of each quarter, as applicable:
- Quarterly cost information and documentation of the actual costs,
- Updated staffing information (per the 1st day of the 1st month of each quarter), and
- Actual customer participation numbers (per the last day of the last month of each quarter),
- Upon receipt of the above information, One-Stop Career Centers will:
- Compare budgeted costs to actual costs,
- Update the allocation bases, and
- Apply the updated allocation bases, as described in the Cost Allocation Methodology section above, to determine the actual costs allocable to each partner.
- One-Stop Career Centers will prepare an updated budget document showing cost adjustments and will prepare an invoice for each Partner with the actual costs allocable to each Partner for the quarter.
- One-Stop Career Centers will submit the invoices to the Partners and send a copy of the updated budget to all Parties no later than forty-five (45) days after the end of each quarter. The Partners understand that the timeliness of One-Stop Career Center's preparation and submission of invoices and adjusted budgets is contingent upon the timeliness of each Partner in providing the necessary cost information. For Partners that advance funds to the Local area, One-Stop Career Centers will only send a copy of the updated budget.
- Upon receipt of the invoice and adjusted budget, each Partner will review both documents and will submit payment to One-Stop Career Centers no later than fifteen (15) days following receipt. Payment of the invoice signifies agreement with the costs in the adjusted budget. For Partners that advance funds to the Local area, One-Stop Career Centers may draw down funds for quarterly payments upon approval via email of the reconciled budget.
- Partners will communicate any disputes with costs in the invoice or the adjusted budget to One-Stop Career Centers in writing. One-Stop Career Centers will review the disputed cost items and respond accordingly to the Partner and Local WDB within ten (10) days of

receipt of notice of the disputed costs. When necessary, One-Stop Career Centers will revise the invoice and the adjusted budget upon resolution of the dispute.

All Parties to this MOU and IFA recognized that infrastructure costs are applicable to all required Partners, whether they are physically located in the American Job Center or not. If Partners in a Local area have employed the dispute resolution process and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared and the State Funding Mechanism (SFM) is triggered,

Step 1: Notice of failure to reach consensus given to the Governor.

If the Parties cannot reach consensus on methods of sufficiently funding a One-Stop Career Center's infrastructure costs and the amounts to be contributed by each Local Partner program, the Region VII WDB is required to notify the Governor.

Step 2: Negotiation materials provided to Governor,

The One-Stop Management Consortium Chair (or designee) must provide the appropriate and relevant materials and documents used in the negotiations to the Governor, preferably at the time of the notification of failure to reach consensus, but no later than five (5) business days thereafter. At a minimum, The One-Stop Management Consortium Chair (or designee) must provide to the Governor:

- Any partially agreed upon, proposed, or draft IFAs.

Step 4: IFA Execution

The IFA becomes effective as of the date of signing by the final signatory,

Programs may appeal the Governor's determinations of their infrastructure cost contributions in accordance with the process established under 20 CFR 678.750, 34 CFR 361.750, and 34 CFR 463.750.

Modification Process.

All Parties agree to abide by the process for modification, as outlined in the Modification Process section of the MOU.

- Additional One-Stop Partners

Other entities that carry out a workforce development program, including Federal, State, or Local programs and programs in the private sector, may serve as additional Partners in the American Job Center network if the Local WDB and chief elected official(s) approve the entity's participation.

Additional Partners may include employment and training programs administered by the Social Security Administration, including the Ticket to Work and Self-Sufficiency Program established under sec. 1148 of the Social Security Act (42 U.S.C. 1320b-19), employment and training programs carried out by the Small Business Administration, Supplemental Nutrition Assistance Program (SNAP) employment and training programs, authorized under secs. 6(d)(4) and 6(o) of the Food and Nutrition Act of 2008 (7 U.S.C. 2015(d)(4) and 2015(o)), Client Assistance Program authorized under sec. 112

of the Rehabilitation Act of 1973 (29 U.S.C. 732), programs authorized under the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.), and other appropriate Federal, State, or local programs, including employment, education, and training programs provided by public libraries or in the private sector, programs providing transportation assistance, and programs providing services to individuals with substance abuse or mental health issues.

Infrastructure Costs

Non-personnel costs that are necessary for the general operation of the one-stop center, including but not limited to applicable facility costs (such as rent), costs of utilities and maintenance, equipment (including assessment-related products and assistive technology for individuals with disabilities), and technology to facilitate access to the one-stop center, including technology used for the center's planning and outreach activities. Common identifier costs may be considered as costs of one-stop infrastructure.

[WIOA sec. 121(h)(4); 20 CFR 678.700(a)-(b); 34 CFR 361.700(a)-(b); and 34 CFR 463.700(a)-(b)]

Additional Costs

Must include the costs of the provision of career services in Sec. 134(c)(2) applicable to each program consistent with Partner program's applicable Federal statutes and allocable based on cost principles of the Uniform Guidance at 2 CFR Part 200 and may include shared operating costs and shared services.

[WIOA Sec. 121(i)(1); 20 CFR 678.760(a); 34 CFR 361.760(a); 34 CFR 463.760(a); and TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 4-5, Attachment II)]

Shared Operating Costs and Shared Services

Shared operating costs and shared services costs may include costs of shared services that are authorized for and may be commonly provided through the one-stop Partner programs, including initial intake, assessment of needs, appraisal of basic skills,

identification of appropriate services, referrals to other one-stop Partners, and business services.

[WIOA sec. 121(i)(2); 20 CFR 678.760(b); 34 CFR 361.760(b); 34 CFR 463.760(b); and TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System (pp. 4-5, Attachment II)]

One-Stop Operating Budget

The one-stop operating budget of one-stop centers or American Job Centers (AJC) is the financial plan that the one-stop partners, the CLEO, and the Local WDB have agreed to in the MOU that will be used to achieve their goals of delivering services in a local area. The MOU must contain, among other things, provisions describing how the costs of shared services provided by the one-stop system and the operating costs of such system will be funded, including the infrastructure costs for the one-stop system (WIOA sec. 121(c)(2)(A) and 20 CFR 678.500(b)).

The One-Stop operating budget may be considered the master budget that contains a set of individual budgets or components that consist of costs that are specifically identified in the statute: infrastructure costs, defined in WIOA sec. 121(h)(4); and additional costs which must include applicable career services and may include shared operating costs and shared services that are related to the operation of the one-stop delivery system and do not constitute infrastructure costs. These additional costs are described in WIOA sec. 121(i). The One-Stop operating budget must be periodically reconciled against actual costs incurred and adjusted accordingly. Reconciliation helps to ensure that the budget reflect a cost allocation methodology that demonstrates how infrastructure costs are charged to each partner in proportion to the partner's use of the One-Stop Career Center and relative benefit received. The One-Stop operating budget may be further refined by the One-Stop Partners, as needed, to assist in tracking their contributions. It may be necessary at times to separate the budget of a comprehensive One-Stop Career Center from a specialized One-Stop Career Center or an affiliate One-Stop Career Center.

One-Stop operating costs include infrastructure costs and additional costs, which are made up of applicable career service, shared operating costs and shared services

[TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System]

Infrastructure Funding Agreement (IFA)

The IFA contains the infrastructure costs budget that is an integral component of the overall One-Stop operating budget. The other component of the One-Stop operating budget consists of applicable career services, shared operating costs, and shared services, which are considered additional costs. While each of these components covers different

cost categories, an operating budget would be incomplete if any of these cost categories were omitted, as all components are necessary to maintain a fully functioning and successful local one-stop delivery system. Therefore, the Departments strongly recommend that the Local WDBs, one-stop partners, and CEOs negotiate the IFA, along with additional costs when developing the operating budget for the local one-stop system. The overall one-stop operating budget must be included in the MOU. IFAs are a mandatory component of the local MOU, described in WIOA sec. 121(c) and 20 CFR 678.500 and 678.755. Similar to MOUs, the Local WDB may negotiate an umbrella IFA or individual IFAs for one or more of its One-Stop Career Centers.

The Departments also consider it essential that the IFA include the signatures of individuals with authority to bind the signatories to the IFA, including all one-stop partners, CEO, and Local WDB participating in the IFA.

Changes in the One-Stop Partners or an appeal by a One-Stop Partner's infrastructure cost contributions will require a renewal of the MOU.

[TEGL 17-16, RSA TAC 17-03, and OCTAE Program Memo 17-3, Infrastructure Funding of the One-Stop Delivery System]

Allocation

Allocation means the process of assigning a cost, or a group of costs, to one or more cost objective(s), in reasonable proportion to the benefit provided or other equitable relationship. The process may entail assigning a cost(s) directly to a final cost objective or through one or more intermediate cost objectives.

[2 CFR200.4]

Cost Objective

Cost objective means a program, function, activity, award, organizational subdivision, contract, or work unit for which cost data are desired and for which provision is made to accumulate and measure the cost of processes, products, jobs, capital projects, etc. A cost objective may be a major function of the non-Federal entity, a particular service or project, a Federal award, or an indirect (Facilities & Administrative (F&A)) cost activity, as described in Subpart E-Cost Principles of this Part. See also §§ 200.44 Final cost objective and 200.60 Intermediate cost objective.
